II THE PROMOTIONAL FEES

Kent Bank	Excerpt from the Decision on fees for business entities and residential buildings	
------------------	--	--

The promotional fees specified in this Decision will apply from March 1, 2025, and will be valid until December 31, 2025. After the promotional period ends, the regular applicable fee defined for each specific tariff item will apply.

III FINAL PROVISIONS

In accordance with the provisions of this Decision, the Bank shall contract, calculate and collect the fees for services that it provides in its business operations, unless a separate decision of the Bank or a contract concluded by the Bank prescribes otherwise.

Apart from the fees for the services foreseen by this Decision, the Bank calculates and collects all real costs incurred during the execution of services:

- FINA, CNB and Money market, as well as other entities, depending on the task and its realization
- Postal and telecommunication costs
- Costs charged by other domestic or foreign banks
- Fees, taxes and similar, paid by the Bank
- Other costs that are not specified but are determined by the Agreement between the Bank and the client.

The Bank may, depending on its business interest, significance of an activity, market conditions, determine a different fee amount than the amount specified in this Decision.

This Decision shall enter into force on the date of its adoption and shall apply from 6 November 2024. Decision on Fees for business entities and residential buildings as of 01 March 2025 shall cease to apply upon entering into force of this Decision.
