II. FINAL PROVISIONS

In accordance with the provisions of this Decision, the Bank shall contract, calculate and collect the fees for services that it provides in its business operations, unless a separate decision of the Bank or a contract concluded by the Bank prescribes otherwise.

Apart from the fees for the services foreseen by this Decision, the Bank calculates and collects all real costs incurred during the execution of services:

- FINA, CNB and Money market, as well as other entities, depending on the task and its realization
- Postal and telecommunication costs
- Costs charged by other domestic or foreign banks
- Fees, taxes and similar, paid by the Bank
- Other costs.

The Bank may, depending on its business interest, significance of an activity, market conditions, determine a different fee amount than the amount specified in this Decision.

This Decision shall enter into force on the date of its adoption and shall apply from 15 November 2021. Decision on Fees for Business Entities and residential buildings as of 6 October 2021 shall cease to apply upon entering into force of this Decision.
